In G.O.No: 2375 Edn, d/ 14-11-29, sanc-
tion was accorded to the incurring of an
expenditure of Rs 40 a month on rent for a
building for the hostel attached to the
Govt training school for Women, Hospet.
The hostel was opened on the 6th Decr.
1929. The D.P.I reports that almost
immediately after the opening of the hostel
the training classes of the school which
had been held in sheds constructed for
them in the compound of the Lunl.Girls'
school, Hospet, were also removed to the
building rented for the hostel. The
sanction of the Govt should have been
obtained to the transfer of these classes.
The Govt however condone this irregularity

2. The Director further reports that the
hostel was closed on 29-6-30 and
was not reopened till 22-7-31 and that

during the intervening period the rented building was not vacated but was used for holding the training classes and as a residence for certain members of the staff. The fact that the hostel ~~could~~ ^{would have to be closed} ~~was closed~~ ^{have} ~~not be worked~~ during 1930-31 should have been realized by the officers concerned, at the latest when the school reopened after the summer vacation of 1930.

The training ^{classes} ~~schools~~ should have been immediately retransferred to the sheds and the rented building given up. Failure to do so has resulted in loss to Govt in the shape of rent for the building. The Govt consider that the officers concerned ^{should} be called upon to show cause why the loss should not be recovered from them. The Director is accordingly requested to obtain and submit to Govt their explanations with his remarks on them.

3. It is reported that the hostel which was revived in July 1931 is held in the rented building together with the training classes. The Govt have no objection to this arrangement being continued.

4. The question has been raised in this connection whether matrons of hostels ^(and training schools for women) attached to Govt girls' schools who receive an allowance for the hostel duties they perform and who 'live in with the students ^{of the hostel} are liable to pay rent for the accommodation provided for them. The Director is informed that rent need not be recovered in such cases.
